Student Ambassador for Multi-perspective Activities Related to logistics and supply chain

**AT THE CENTRE OF EXCELLENCE IN
LOGISTICS AND SUPPLY CHAIN MANAGEMENT, NIT CALICUT**

JANUARY 2023

Centre of Excellence in
Logistics and Supply Chain Management

Become a Student Ambassador of CoELSCM

Become a student ambassador, **SAMARTH** (Student Ambassador for Multi-perspective Activities Related to logistics and supply chain), for the Centre of Excellence in Logistics and Supply Chain Management, NIT Calicut to enhance your presence. As a representative of this centre, you will explore a career in logistics and supply chain management while gaining the technical skill and emotional intelligence required for success.

Develop your expertise of supply chain management and logistics.

“Start your logistics and supply chain management career off right with training and certifications, support with center-sponsored events, and special access to faculty coordinators, resource people, and participants.”

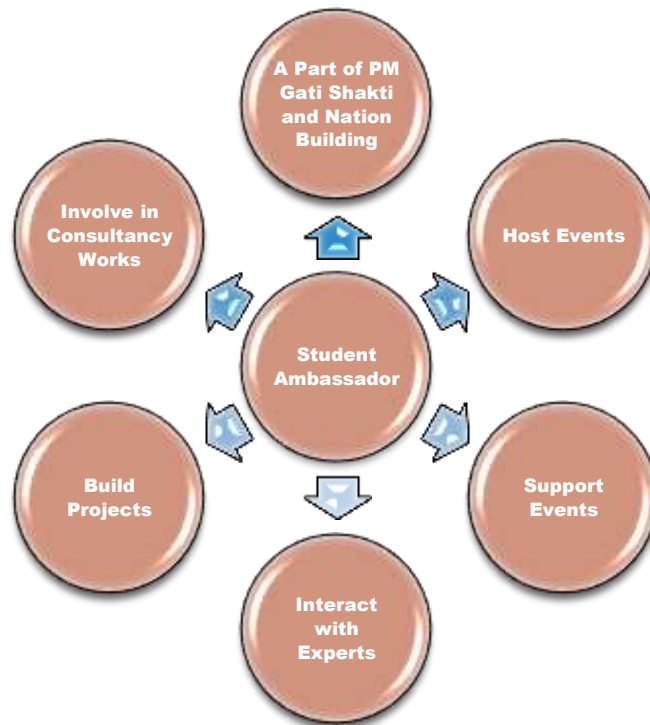

Socialize with other students who are as passionate about supply chain management and logistics as you are. Organize events, assist other students, and gain recognition to set your resume apart from the competitors.

As an ambassador, what is your role?

This ambassadorship offers you **lots of opportunities** as follows:

- ✓ Grow as a leader and gain state-of-the-art skills to inspire your fellow students and empower them in the domain of logistics and supply chain management
- ✓ Organize events and socialize with others who share your interests
- ✓ Plan the activities of the centre and participate in campus activities.
- ✓ Obtain recognition based on the performance and the active involvement.

Student ambassadors are not formally paid for their services.

As an ambassador what are the benefits...

Professional Growth: Close interaction with domain experts, which will guide you for a better professional career.

Network Growth: You will expand your network with students, academicians and practicing managers.

Managerial Skills: You will improve the coordinating capabilities while organizing events.

Community Learning: Collaborate with students throughout the learning cycle and help educate others.
